PROCESS TO APPLY FOR HOSTING THE 23TH OR 24TH GIESCO CONGRESS

1. Application to host the 23rd congress (2023)

Please send the application to GiESCO (**contact@giesco.org**) before 31/10/2020. The application formatted in a single pdf file of 20 p. max, should include the following items:

- An official letter of application from the hosting institution, with a commitment: i) to respect the scientific topics and standards of GiESCO and ii) to sign an agreement specifying that full registration fees will include the membership fees to the association.
- Name and position of the convener and a list of potential members of the organizing committee;
- Venue (description of conference rooms, accommodation possibilities, international connections, etc.);
- Description of higher education & research activities of the hosting institution on GiESCO topics;
- List of possible sponsors;
- Options for technical visits during the congress and for post-tours;
- Other useful information.

After verification of the applications by the animation unit, an electronic vote will be proposed to all members of the GiESCO and the results published before 31/12/2020.

2. Application to host the 24th Congress (2025)

As for 1., send your application to (**contact@giesco.org**) before 31/3/2021. A selection of 3 candidates will be done and asked to present their applications at the general assembly in Ithaca, for a sitting decision.

NB. Same application can be submitted for the 2 dates

Pech-Rouge, the 19th of Marsh 2020

On behalf of the GiESCO animation cell committee,

Prof Laurent Torregrosa - President of the GiESCO
Dr. Hernan Ojeda - Deputy-President of the GiESCO
